## From the Principal

### Recent International Visits

There has been much activity associated with our College during the recent term break. In addition to our Year 12 students being engaged in their exams, there have been two important 'excursions' which support significant programs at CBC Fremantle.

The first was our inaugural International Immersion visit to a Christian Brothers' Mission in the Philippines. Nine students from Years 10 and 11 were accompanied by Mr Craig Dowsett and Mr Garry Hart to work with Edmund Rice Services in Maasin City. In addition to learning much about the community they visited, the participants also acquired greater knowledge of themselves.

One of the features of this immersion is that the students were able to work with the local people on projects that were significant to that community. Working in places as diverse as the school, hospital, piggery or vegetable nursery ensured that the experience was authentic and challenging. As a College which professes a special concern for the marginalised and disadvantaged in our world, it is important that our students have practical experience in activity which seeks to relieve poverty, promote human rights and support local development.

The second 'excursion' was the Italian and Visual Arts tour of Italy. Thirty two students from Years 10 and 11 and three staff enjoyed visits to places such

as the Colosseum in Rome, the ruins in Pompeii and Da Vinci's painting of the Last Supper in Milan. While linguistic and artistic development was clearly the focus of this tour, the experience is sure to have expanded the minds of our young participants in many other ways. We thank Ms Angela Calanni, Ms Zoe Francis and Mr Domenic Burgio for their generous contribution of time and talent towards providing this opportunity for our students.

An education in justice and equity and the provision of diverse experiences are two characteristics which are strongly

associated with CBC Fremantle. Our young men received many accolades for their conduct and participation on these tours and I commend them for their willingness to accept the challenges inherent in each of them.

### Parent Teacher Student Interviews

The interviews conducted this week for students in Years 7-10 were typically well attended. There is little doubt that boys place a greater value upon their education if they believe that their parents also consider it to be important. The College respects the fact that parents are the primary educators of

their children and that is why regular and honest communication is encouraged. Thank you to all of the parents who attended interviews at the school.

## A message from the Vice Principal

I start by congratulating all of our young men who have taken the opportunity during the break to address any grooming issue that needed attention. Their commitment to the College, and the worth of their word, is clear evidence they are on the road to adulthood.

To those boys who have not taken the time to get this important element right, I express my disappointment. Can I also express very clearly that this is CBC Fremantle, not Collingwood Football Club, and the Dane Swan haircuts slowly creeping into the College must stop. No part of a boy's hair should be shorter than a Number 3, and any trend to have the sides shorter than the top is permitted as

long as the sides BLEND into the top.

To the boys who try and get around the fringe issue, can I also express my disappointment at this trickiness. Either you are a man of your word, or you are not.

From next Monday, any boys who do not have these elements of College grooming right, will have their names forwarded to their relevant Head of House, and be issued with a College Detention. Remember gentlemen, there is only one way to be dressed and groomed at CBC Fremantle, and that is the correct way ... the way you, and your parents agreed to when you enrolled.

As a College of integrity and good values, we must conduct ourselves accordingly. A neat and presentable appearance – shirts tucked in, shoes polished and hair the correct length and style – encourages pride and excellence in our students. I thank parents for your support in our endeavours.

Mr Domenic Burgio  
Vice Principal

### **Spirit of the Streets Choir Concert**

Music and friendship are the main ingredients of this seven year old choir, which is open to all and includes mainly people who have suffered from mental illness, homelessness or some kind of disability or disadvantage. They meet every Tuesday afternoon and do about 40 gigs a year. Two big ones in recent years were in front of 2,000 people both times at Perth Concert Hall and Christmas Day in the Park. Now, our leader, songwriter and muso Bernard Carney wants to take us all to the famed Dunsborough Songfest Weekend! What an experience it will be for us all.

To help fundraise for the trip, we will have a big Concert at Perth Town Hall on Sunday 20 October from 3pm. We will be telling some of our stories and singing with longtime and close friends from the Mercedes College Select Choir. Tickets \$20 and \$15 (concession). Tickets can be booked at [www.trybooking.com](http://www.trybooking.com) or ring Harry Mithen ( 9444-4626) or Joanne Pollard ( 0407 195 555).

### Cycling Time Trial

A fantastic opportunity exists for kids from your school to be involved in a new junior cycling event to be held near Fremantle.

On **Saturday 26 October from 4:30pm**, Visionary Junior Cycling Club is conducting a time trial in North Coogee for kids only.

It doesn't matter what type of bike they have. It really is an opportunity for kids to have a go and test themselves against the clock in a safe and controlled environment.

Food and drinks will be available post event for both kids and parents. This is a great initiative that will be staged each month to encourage more kids into cycling and facilitate community involvement. It is open to everyone, and costs only \$5. Registration for the event is through [www.visionary.org.au](http://www.visionary.org.au).
