Today's boys...tomorrow's gentlemen

Front page: As the sun sinks over the port, Father Tony Maher addresses The Rite Journey young men, their parents, friends and families on Friday evening

## From the Principal

### The Rite Journey Begins

In almost ideal conditions at the end of a very warm day, our Year 9 students, their families and friends gathered with many of the College staff last Friday evening to officially launch The Rite Journey for 2013. The setting at Monument Hill added poignancy to the significance of the occasion as these boys were challenged to reflect upon their past and commit to their futures as young men.

This programme has tremendous resonance with our purpose as a Catholic School in the Edmund Rice Tradition. At CBC Fremantle we recognise that parents want their sons to mature into young men with strong values which they understand and represent faithfully.

Furthermore, they want the gentlemen who graduate from this school to be active and informed citizens who are well prepared for the morally complex world they will encounter. As a school, we seek to assist families in this formative process wherever possible.

The following excerpt from the introduction delivered at the ceremony by the College Vice Principal, Mr Domenic Burgio, encapsulates the intent of The Rite Journey programme:

“Every parent wishes for their child a life full of happiness, joy, success and good health. But more than this, the parents, teachers and mentors of CBC boys hope that all of these blessings are built on a

“... the parents, teachers and mentors of CBC boys hope that all of these blessings are built on a foundation of faith, service, sound values and leadership.”

foundation of faith, service, sound values and leadership. It is for this reason that we work together to provide the support you need now, will need in the near future and will one day give to your own children.

“Much of what determines the kind of man you will be, the kind of husband you will be, the kind of father you will be and the kind of son you will be to your elderly parents will be reflected in the way you handle the adversity you will encounter on your journey to manhood. The skills and resilience you build as a result of overcoming the next obstacle will make each subsequent hurdle easier to clear.” CBC Fremantle continues to place great emphasis upon helping each of

our students to build resilience and to discern those values which are critical to the development of a good young man.

### Share the Journey

This innovative programme is conducted by a group of dads from the College through the Parent Council and will be conducted this year on Sunday 7 April. A preparatory session is conducted on the evening of Thursday 4 April and together these two occasions provide a tremendous opportunity to enhance the relationship between fathers and their sons.

Another advertisement for this programme appears in this newsletter and I draw your attention to it for further

details. While all fathers of the College are invited to attend we do extend a particular welcome to Year 7 dads.

Please keep the relevant dates free and commit this time to your son and yourself.

### **Open Day**

Just a final reminder that classes will finish early at 1.05pm on Tuesday 19 March in order to facilitate our Open Day tours later that day. Many

students will be involved as tour guides and activity leaders throughout that afternoon and early evening. Students not involved in some capacity will be permitted to leave school at 1.05pm.

## House Cross Country

On a warm day for running, 750 CBC boys set out on the 4km course from Cottesloe to Port Beach across three different races on Friday. The challenge was put to the boys to improve on their times from last year or set a time they can try and beat in the future.

It was great to drive the course and watch the boys do their best to meet the challenge.

Congratulations to all boys and thank you to staff who helped and the parents who came to support the races.

# Technology and Enterprise

Half way through Term 1 and our boys are once again showing that they have reached the bar, which we have once again raised!

All boys in Year 7 complete a Term rotation in each of the following: Materials and Design, Technical Graphics and Catering.

Year 8 boys complete a Semester and boys from Years 9 to 11 choose one or more subjects to study for the year.

We welcome Ms Fiona Williams into our Catering area and she has certainly got the boys in Years 7 to 10 cooking up a storm, in fact I would like to give a plug

for the 'Battle of the Cupcakes' coming up on Open Day which Ms Williams is directing.

I also would like to acknowledge those who have donated old jarrah and karri timber. Mr Stockton has enough to last us for the year. It is important for the boys to look at sustainability, and by recycling timber they get a first-hand, practical experience of this.

In other areas of the Design and Technology programme, we have integrated Certificate II courses in Metals and Engineering and Furnishing and Technical Graphics into our Year 11 and 12 courses. These Certificates increase

the boys' job prospects and also gives them entry into TAFE, should they choose that pathway.

Technology and Enterprise is much more than just 'making things.' The boys explore the material properties, and hence Science in a practical context; they measure and mark out, applying mathematical concepts, and the costing and sustainability crosses into the Society and Environment area. These practical applications are all performed in an environment where the staff can really get to know the individual boys.

Mr Steve Coggin  
Head of Technology and Enterprise

## Host Families Needed June/July

In June and July Student Exchange Australia New Zealand Ltd will be receiving exchange students from Europe, Canada, the USA and Latin America. Our new arrivals will live with a volunteer host family and attend a local school for two to 10 months.

All students have at least basic levels of English, will attend a school in the local area and live the life of a local. Our group of students cover a wide variety of interests and hobbies.

Hosting an exchange student can be a truly rewarding experience. It allows a family to experience a foreign culture first hand, be exposed to a new language and pass on a bit of our own culture. They might even make a friend for life!

Student Exchange Australia New Zealand is a not-for-profit secondary exchange organisation which is registered with education and regulatory authorities in each state and territory. You can find out more about our organisation by visiting our [website](#).

If students and their families have any questions about hosting an exchange student or would like to view profiles of students arriving from other countries, call our office on 1300 135 331 or visit our website. Our staff members will be happy to discuss which student might be best suited to their family. No obligation.

## Fremantle Heritage Festival

The Fremantle Heritage Festival (24 May to 3 June) is an annual celebration of one of the city's best assets – its historic character.

If you're interested in being involved in the Heritage Festival you can create an event or submit a nomination for the awards programme. For more information and to register an event/performance or exhibition please visit the Fremantle Heritage Festival [website](#).

## Student Cycling Challenge

Students are encouraged to come down to the Bathers Beach Markets on 23 March from 5 to 9pm to participate in a school cycling challenge. Test yourself against your friends and students from other schools to determine your maximum power output on a bike.

If you are also keen on riding your bike regularly with other people your age, information will be available on how to become more involved.

## School based immunisation programme moved to Year 8

Please note that the school-based immunisation programme, previously offered to Year 7 students, will be delivered in Year 8 starting in 2014.

In the 2013 school-based immunisation programme, all male students in Years 8, 9 and 10 will be offered the Human Papilloma Virus (HPV) vaccine series, Gardasil, to protect them against developing a range of cancers and diseases. If your son is eligible for this vaccine, you will receive information and a consent form via your son's school bag in 2013. If your child is in Year 7 in 2013, they will receive their school vaccines in 2014 when they are in Year 8.

Please be assured that all children will be provided an opportunity to access the school based vaccines during the programme shift. If you require any further information, please contact the Central Immunisation Clinic on 9321 1312 during office hours.

## St Patrick's Primary School Reunion

St Patrick's Primary School Community would like to invite families who have had association with Maristella Kindergarten and Pre Primary School to join in the celebration of their **50th anniversary**.

Mass will be celebrated at St Patrick's Basilica on **Saturday 13 April at 10.00am** followed by morning tea in the Parish Hall.

Please RSVP to St Patrick's Primary School 9335 5215 by 1 April 2013.

## Calling all Footballers 14-17yrs

In 2012, Western Australia entered 2 boys Minor Gaelic football teams in the Australasian Football Hurling and Camogie Championships, and it was subsequently decided to establish an inaugural Minor Gaelic Football Board for both boys and girls.

We are presently running a summer competition which will culminate with the boys and girls finals being held at Medibank Stadium (Leederville Oval) on Sunday 17 March as part of the St Patricks Day parade celebrations.

We have established two training centres:

North: Forrest Park, Padbury.

Training: Mon & Fri, 6.30-8.00pm

Contact: Peter Kavanagh 0410 921 961

South: South Oval, Curtin University, Bentley

Training: Wed & Fri, 6.30-8.00pm

Contact: Michael O'Connor 0417 096 424

We welcome new players, boys and girls, of all abilities and backgrounds to come down and join in the fun. Western Australia minors will be competing in the Australasian Championships in Sydney in October 2013, and we encourage those wishing to try out for state honors to register their interest as soon as possible.
