FREMANTLE

Today's boys...tomorrow's gentlemen

Front page: In a poignant reminder of their very first day at CBC Fremantle when the Class of 2009 provided a guard of honour, today the Class of 2013 left their final assembly with a Year 7 guard of honour.

## From the Principal

### The Fight Against Poverty

The release of the Australian Catholic Bishops' Social Justice Statement each year is a significant event for people in this country. This year's Statement calls on the Christian community and all Australians to stand in solidarity with our neighbours around the world who are living in conditions of extreme poverty. The following excerpt was prepared by the Australian Catholic Social Justice Council for inclusion in our newsletter:

The Catholic Church in Australia celebrates Social Justice Sunday on 29 September. This year's Social Justice Statement is titled: 'Lazarus at our Gate: A critical moment in the fight against world poverty'.

The Statement urges all Australians to focus on our obligation to help the world's poorest and to work to combat poverty wherever it is found. Although progress has been made over the past decade in the fight against extreme poverty, one billion people still live on less than \$1.25 per day, and 20 per cent of the world's poor live in countries near Australia.

"In our region," the Bishops say, "Australia is the rich man and Lazarus is at our gate."

At the College we regularly ask the boys to consider exactly who constitutes their 'neighbour'. It is essential that they are educated to combat the tenets of popular culture and the often xenophobic tendencies which are apparent therein.

As a school community we echo the sentiments of the Bishops' statement when we offer our own prayers for God's blessing upon all those who are marginalised in our world through suffering poverty.

### **Class of 2013**

With the completion of this term we also conclude formal classes for our Year 12 students. They still have a number of school commitments to manage including exams, seminars, their Graduation Ceremony and Awards Night but the daily routine that has been central to their lives in recent years has now ended. As they departed from our Farewell Assembly today they did so through a guard of honour provided by our Year 7 students. This completed a cycle that began when they were welcomed to the College on their first day by the Year 12 students of 2009 who provided a similar procession at their very first CBC assembly. It was apparent that many boys still remembered that welcome and appreciated the poignancy of today's gesture.

This has been a Year group characterised by a strong commitment to service and leadership. In recent exit interviews

**“This has been a Year group characterised by a strong commitment to service and leadership.”**

that I have conducted with each Year 12 student, it has been very apparent that these young men have enjoyed their secondary school experience and have assimilated many of the values that their families and school would wish them to adopt. They have a wonderful self-confidence and are optimistic about their futures.

As a community we certainly wish the Class of 2013 much success in their upcoming exams and in the careers that await them. However, this will not be the measure by which the College ultimately determines whether it has provided good service to these graduates. This will be gauged by the extent to which each of these young men chooses to lead a selfless life and become an agent for positive change in their society. We wish each of our graduates well in pursuit of these characteristics.

### **Term Holidays**

At the conclusion of another very busy term I hope that all of the staff and students enjoy a well-deserved and revitalising break. I am aware that many families take the opportunity to travel during the school holidays and we wish each of them a safe and enjoyable time away from home.

For those so inclined, I also hope that this coming weekend has a distinct purple tinge about it!

Principal

## Spirit of the Streets Choir Concert

Music and friendship are the main ingredients of this seven year old choir, which is open to all and includes mainly people who have suffered from mental illness, homelessness or some kind of disability or disadvantage. They meet every Tuesday afternoon and do about 40 gigs a year. Two big ones in recent years were in front of 2,000 people both times at Perth Concert Hall and Christmas Day in the Park. Now, our leader, songwriter and muso Bernard Carney wants to take us all to the famed Dunsborough Songfest Weekend! What an experience it will be for us all.

To help fundraise for the trip, we will have a big Concert at Perth Town Hall on Sunday October 20 from 3pm. We will be telling some of our stories and singing with longtime and close friends from the Mercedes College Select Choir. Tickets \$20 and \$15 concession).
