*The College reserves the right to alter
Fees and Charges contained in this brochure
at any time.*

The College funds its education programme through a combination of Fees and Charges and Government Grants. In setting the Fees and Charges, the College is mindful of the need to keep increases to a minimum, while providing an excellent education within the best possible facilities.

This document is not intended to be a comprehensive guide but should be read in conjunction with the College Application and Enrolment conditions and Privacy Policy.

It is imperative that College fees be paid promptly as fees represent an integral part of the education capacity of the College.

APPLICATION FEE FOR ADMISSION

The enrolment process commences with the submission of an Application Form. A non-refundable Application Fee of \$150 is payable upon submission of the form, which covers associated administration costs. Please note that this fee does not guarantee an interview, or a place at the College. Please contact the College Registrar for further enrolment information if required.

Parents are jointly and severally liable for payment of fees once a place is accepted.
